JOB TITLE

AGRONOMISTS (2)

JOB CITY

Kings, Tulare, and Kern Counties

JOB STATE

CA

SALARY

\$60k - \$70k+/Yr. including benefits and company vehicle, DOE

DESCRIPTION

Denham Resources is looking for 2 knowledgeable, thorough Agronomists who can develop better farming practices and find effective solutions for our client; a highly successful, well established, family owned, world class agri-business. The

Agronomists will conduct research and field checks, take samples and make observations, perform tests, and identify and solve problems related to plant or soil nutrition, damage from insects or wildlife, weather or climate changes, or the use of specialized products, such as pesticides, fertilizers, etc. to develop and provide techniques to increase crop quality and yield.

- Study plants and soil in order to develop better planting, cultivation, and harvesting techniques to improve crop yield
- Research, develop and promote farming practices or products that diminish the effects of changes in soil, climate, and weather or prevent damage from pests
- Conduct field crop investigations to collect seed, plant and soil samples and testing samples for nutritional deficiencies, diseases or other changes
- Ensure accurate knowledge and reliable referrals to make recommendations and achieve efficient crop production
- Assist with the plant selection process and the development of planting and irrigation schedules, budgets and timelines
- Generate reports and maintain detailed records regarding fields,

crops, and samples

-Supervise a team of field employees

-
- REQUIREMENTS**
- Bachelor's Degree in Agronomy, Ag Science, Agriculture or related field preferred or extensive proven Agronomist work experience
 - Management or supervisory experience required including hiring, training, assessing employee performance
 - Pest Control Advisor Operator license, and valid driver's license with a clean DMV record
 - Excellent communication, written and organizational skills; bi-lingual English/Spanish a plus
 - Ability to work outside, stand, walk, kneel and stoop for extended periods
 - Computer proficient
