

Curious about what's going on in other departments within your facility but don't always have time to find out? Introducing Peer Connection, where you can learn what your fellow WHA Peer Networks are up to.

Chief Financial Officers

On October 11th members will hear from Matt Haynes, Special Finance Projects Manager from the Colorado Department of Health Care Policy and Financing. He will provide an update about the hospital provider fee in enterprise fund. The remainder of the meeting will be spent discussing the strategic direction of Healthcare Management.

Chief Nursing Officers/Quality Improvement Risk Management

Elizabeth Hanckel, Vice President of Workforce Strategies for WHA, will start the meeting by leading a discussion on nurse retention strategies. Next, Dr. Mark Lindsay, Medical Director for Allevant will join to give an update. Jane McLeod, Co-Founder, Capstone Leadership Solutions will dial in to give an overview of their nursing bundles. We are fortunate to have member experts on hand like Valley View's Inpatient Services Director, Dawn Sculco, who will present on their Fall Reduction Study; and Sandy Hurley, Chief Nursing Officer for Valley View Hospital will share the CO ALTO Project update on how they reduced opioid administration in their ER department.

Communications and Marketing

On October 10th members will share their smoke free campaigns with their peers. They will also see online physician reputation management software demonstrations from Binary Fountain and Reputation.com. Member presentations include an update from Valley View's Pat Faler, Director, Marketing and Public Relations, about the CO ALTO Project to reduce the administration of opioids in the hospital's ER department.

Human Resources

On October 12th, Wendy Buchanan, Director of Wellness Programs from Tahoe Forest Hospital is set to share her population health and wellness program. The members will also discuss statistics about smoking and the impact on healthcare, and how to make your facility smoke free.

Information Technology

The Information Technology leaders will meet on October 18th hearing project updates and experiences from group member, Charles Andrews, Vice President, Information Technology and Security from Mind Springs Health. Stephen Day, Information Technology Director at WHA will update members on IT Training Collaborations on online training options and member seat commitment. To conclude the meeting, members will be asked to share their helpdesk strategies and structures along with customer service strategies, issues and ideas.

Laboratory Services

On October 23rd group member, Cindy Parrish, Administrative Director, Laboratory Services, St. Mary's Medical Center will lead a discussion on SteriPath Gen2 Devices. Chris Olmscheid, Account Executive will present on how Medefis can help members with their staffing needs. Amy Brazile, Regional Service Representative for Mayo Medical Laboratories will provide a courier update, and Mayo will provide education on the Protecting Access to Medicare Act of 2014.

Materials Management

The Materials Management Peer Network members met on October 2nd. Patrick Trim, Supply Chain Consultant, Trim Consulting, presented on Internal Supply Chain Inner Departmental Communications. Jere Page, Purchasing Manager, Mind Springs Health led members on a tour of the new West Springs Hospital.

Rehabilitation Therapy

On October 5th, during the member knowledge share, members revisited their discussion of L-codes from their September 27th conference call. They also heard an update from Bobbie Orchard, Director of Marketing, WHA, on WHA's strategic planning. Cameron MacDonald, President, CO APTA called in and discussed the rule-making process with the new PT Practice Act.

Revenue Cycle
