[Choose Anthem](#)

for Care Management PMPM payments and shared savings opportunity. Anthem is honoring CPC+ Care Management PMPM payments for current Anthem participants through the multi-payer CPC+ model and is also offering Care Management PMPM payments to all other participants in this contract.

[Choose Medicare \(Western ACO\)](#)

for 18 months of upside only or non-risk shared savings opportunities. Rocky Mountain and San Juan ACO participants saved Medicare over \$6M while boasting a higher than national average quality score. San Juan and Rocky Mountain participants are joining together and inviting you to become part of the Western ACO.

Self-funded Employers (Valley Health Alliance)

CCA providers in the Glenwood/Aspen corridor are engaging in a value-based contract with a consortium of six self-funded employers. Serving as a pilot, this agreement could become a model for other geographies. Stay tuned.

Inexperienced or experienced in population health or care coordination? Currently participating in CPC+ and TCPI? The CCA welcomes you. The CCA is your centralized, cost efficient support infrastructure that provides population health solutions and value-based contracts with various payers. We do best when we collaborate, learn and/or share best practices together.
